

I was recommended by a friend and I am so thankful Mr. Parker
new more about the surgery that I had to have than me. He
made me feel very comfortable and eased my mind about all
the steps that had to be taken. The whole staff is super nice and
answered all my questions. I know that each case is different but I
was dealing with workers comp and I sure have never been to Law
School and had no idea where to start, but he handled all the
legal stuff plus even called me after the surgery to see how
I was feeling. Absolutely worth my trip to Grant. Thanks Guys!

Thanks for
my breakfast too!
Now I have a new
addiction. Choc. Cakes
Cereal Coffee beans.

Sincerely,

Blondi Parker
